

The last meeting was held at the Sixbell towers in St. Albans on June 4th. ringing commenced at St. Michaels at 3pm. and during the afternoon many were given the chance to improve their knowledge of the art.

At the business meeting after the reading of the minutes of the last meeting the Secretary informed the members that instruction had been given at Wheathampstead & he was glad to see that four of them had come to the meeting. Hatfield was proposed for next meeting & carried. A collection for the Voluntary Bell Fund realised 5/- . Handbell ringing followed & then the ringers went on to St. Stephens where they were joined by other ringers. & a good course of Cambridge ring. Further ringing concluded an enjoyable meeting which was notable not for the amount of methods rung but for the assistance given to learners & young conductors.

A Combined Practice was held at Harpenden, on Tuesday, 5th July, only 10 ringers attended, but ringing included a perfect course of Cambridge. It is to be deplored that both local & district ringers do not take advantage of these Combined Practices which are arranged for their benefit.

The Joint Meeting of Herts & Middx. Associations at N. Minnis on July 23rd. was very successful. over 30 ringers attended & ringing ranged from Grandire to Spliced Surprise.
