

taken at the service in aid of the Voluntary Bell Fund.  
The collection at this meeting realised 3/6.

A Day  
25/2/39

A meeting was held at the St Albans six bell towers on Saturday Feb 25th when owing to bad weather, and lack of interest on the part of the local bands, a late start was made at St. Michaels, where various methods up to Cambridge, were rung. After tea at the old cottage in the village, Mr. A. Day took the chair at the business meeting, a new recruit from St. Stephens, (F. H. Durran) was made a member of the Association. Hatfield was selected for next meeting Mar. 25th if available. The secretary gave an account of the arrangements for the Annual Meeting made at the General Committee meeting & also notified the members of the nominations of officers for 1939. Mr. G. C. Debenham congratulated the chairman (Mr. A. Day) on his nomination as President, and asked the members to support the new plan of holding the Annual Meeting at Hertford, Watford & St. Albans triennially. A collection amounting to 2/6 was taken for the Voluntary Bell Fund - the usual vote of thanks followed. Raising afterwards took place at St. Stephens, also on handbells in the church.
