

1941

A most successful meeting was held at St Albans Cathedral on Saturday March 8th. Members attended in fair numbers from the St Albans District also Watford Hemphden, Redbourn were represented.

Mr H Goodenough proposed three new lady members viz: Miss T. James, Miss R. Skerton and Miss G. Goodenough.

It was proposed the next meeting be held as a combined meeting at St Peters in the afternoon and the Cathedral in the evening.

The ringing was made more enjoyable (thanks to Mr Goodenough) by the installation of an electrical apparatus fitted by him to ten bells which was much appreciated.
