

The second meeting of the year was held on Saturday May 16th at St Peter's, St Albans. This meeting concluded a "Bell walk" which had been arranged with a view to stimulating interest in ringing among ringers and others.

The bells of St Peter's were rung silent, but what could not be heard, could be seen by those who watched the bells in the bell chamber.

Ringing continued from 3 pm till 4-30 pm when the company adjourned for tea in St. Peter's Institute, which had been provided by Mrs Fergusson.

The business meeting followed.

It was proposed by Mrs Fergusson that the next meeting be held at North Mimms on July 18th. Mr Day seconded.

The election of Officers then took place.

Mr Day having asked the secretary if he would be willing to stand

again, to which the secretary replied  
that he would, unless any other  
members would like to take over, made  
a proposition for Mr R. Darvill.

then elected namely:-

of thanks to Mr Hazell for  
work done in the past two years  
as secretary, adding that he hoped  
he would now enjoy his retirement.
