A Day
21/6/47

Meeting at Wheatthorpe, 21st JUNE 1947.

The June meeting was held at Wheatthorpe instead of Kimpton, which was proposed at the Sandridge meeting, after being asked by the Vicar of Kimpton to postpone our visit till next year.

A very successful meeting was held, however, 21 ringers being present at tea & business meeting at which Mr A. Day of Haslehead was elected chairman.

Although the July meeting had been

decided upon as Northward & Essenden at Sandridge
it was decided to leave arrangements to the
secretary owing to the clashing of tower outings,
a pearl attempt & a joint Middlesex & Ladies
Guild meeting at Hadley. For August we
should go to Essenden & Northward, or the Grabbons
to bell towers, proposed by Mr Holmes, seconded by
Mr Dale.

For September Mr Bayles proposed &
Mr Frost seconded that the tower should be
either Harpenden or N. Myms depending
upon the arrangements for July.

There was no other business, so the
chairman declared the meeting closed, whereupon all
~~we remained~~ returned to the tower, with the exception
of 6 who rang Grandairs Cinqus on the Randbells
brought along by Mr C. Taylor of Watford.

A total of 32 active ringers attended
during the course of the afternoon & evening, methods
rung were Grandairs Double, Plain & Double Oxford
Bob, Kent & Oxford Treble Bob; London, Cambridge,
York, Bourne & Norwich Surprise. Sayer. 29.97.
