Meeting Essendon & Northaw. 20-9-47

The September meeting was held at Essendon & Northaw on Saturday the 19<sup>th</sup>. Essendon bells were rung from 2:30 till 4:30<sup>+</sup> pm. When the 20 odd ringers present adjourned for tea at the Pear Tree Tea Gardens. The business meeting was necessarily short owing to the infrequent bus service, but Mr C.F. Saye was elected chairman & two new members were elected - one <sup>substitutionary</sup> ringing member, M. Messenger of Sandridge & one life member - Miss Walshaw of Manchester. 8/- collected for V. Bell Fund.

The company then proceeded to Northaw

where the bells were rung from 6.30 till 8.30.

Methods rung ranged from Berkshire to Cambridge  
surprise.

The October practice meeting was held at St  
Stephens in the afternoon & at St Albans Cathedral  
in the evening. Attendance was very good but  
ringing at both towers was unfortunately  
of a very poor standard.

The previous week had been a joint  
meeting with the Western District at Hamstead  
where 14 members from this district were present  
& enjoyed some very good ringing.
