

29<sup>TH</sup> MAY 1948

MEETING AT NORTH MIMMS.

Largely due to the inclement weather, the numerical attendance at North Mimms was well below our average - only 14 attending the business meeting. The ringing, however, was good & the meeting considered a success. Commencing at 3.0 pm with Grandine Doubles & Bob Minor we graduated through Grandine & Stedman Triples & Bob Major, to Supulative, Cambridge, London, Bristol & Pudsey Surprise, concluding with a touch of Spliced in the four standard surprise methods.

The business meeting was held in the Corner Café after tea, Mr S. Heare, of Watford, being elected chairman.

The minutes of the last meeting were read & accepted.

Election of new members:-

~~The first~~ Two probationary members were proposed by Mrs T. J. Lock, being Mr. J. Loftly & Mr. R. Loftly both

of both hymns

Mr A. Garland of St Stephens was proposed as a probationary member by Mr T. J. Lantham.

All three were seconded by Mr B. E. Cornell and their election accepted.

It was proposed by Mr B. E. Johnson & seconded by Mr Frost that two methods, one surpise & the other plain, be selected for each meeting & that they be advertised with the notice of meeting as special <sup>or</sup> ~~carried~~ methods for that meeting. This was considered a very good scheme.

Methods selected for the July meeting were St Clements Bob minor, & Primrose Surpise Minor, or alternately, St Clements Bob Major & ~~and~~ Lincolnshire Surpise Major, depending upon whether our best tower had 6 or 8 bells. As there was no other business, the meeting was declared closed & ringing resumed.

B. F. Sayer
