

## MEETING AT HARPENDEN SAT. OCT. 16TH

A very successful meeting was held at Harpenden, ringing commencing at 3.0 p.m. and continuing until 8.30 p.m. with a break for tea and business meeting.

The special methods advertised for the meeting, St Clement's Bob Major and Lincolnshire Surprise were rung quite well.

Other methods rung were Grand sire, Hedman, Plain Bob, Double Norwich, and Cambridge, London, Yorkshire and Superlative Surprise.

The business meeting was held after tea and Mr W. Hughes (Western District Secretary) was elected chairman.

Mr Colin Ward of Kimpton was elected a propitiatory member of the Association on the proposition of Mr Boulton, seconded by Mr Johnson.

A discussion on the wording of advertisements for special methods for meetings arose, to decide if a clearer wording could be used. It was decided the wording should continue as at present.

The next meeting having been arranged for Wheatthampstead in November, it was decided that the special methods should be

Double Court and Norfolk. as at the last meeting these methods were not running at all well.

There was a total attendance of 37 for singing of whom 29 attended the business meeting. Of this 29, 14 were district members, representing 7 distinct Towers.

A collection for the Voluntary Bell Fund realised a sum of 11/6.
