

MEETING AT HATFIELD SAT: JULY 22ND 1950.

The meeting at Hatfield was attended by 30 ringers, only 10 of whom were from the St Albans District. The standard of ringing was very poor during the afternoon but improved later:

The & business meeting was held in the place tea rooms. Some confusion was caused by a misunderstanding of times, but apologies all round ~~restored our equilibrium~~ met the situation.

Mr R. Bell was elected chairman and after apologies had been made for the secretary's absence the minutes of the last meeting were read & adopted, the secretary's place being taken by his deputy Miss Bailey.

A new probationary members were elected - Miss Anne Knight, Miss Anne Carrington, Miss Valerie West & Mr Gerald Carter, all of St Peter's St Albans. These were proposed by Mr B. C. Johnson & seconded by Mr C. F. Sayer.

A proposition was put forward that a dinner & social evening be held, if suitable entertainment

could be found. A short discussion ensued during which it appeared that a certain amount of support would be forthcoming from Hatfield, & that Watford would like to join in.

There was no other business & the meeting closed with a vote of thank to the Vicar of Hatfield & to Miss Mary Cornell of Hatfield for making arrangements.
