

SATURDAY OCT 20<sup>TH</sup>. 1957

A joint meeting with the Luton District of the Bedfordshire Association was held and proved very successful.

Prizing took place at Dunstable & Luton in the afternoon, and at Luton in the evening.

Attendance from this District was poor but we were helped out by several visitors from the Western & Woburn Districts of the Association.

It was suggested that, in 1952 another such joint meeting should take place, this time on our own ground at St Albans.
