

joint with the Northern district.

Ringing on the tea bells started at 3 P.M. and continued until 4.15 when we were joined in the belfry by the rector of Hatfield, and relatives of the late D. V. Holmes for the dedication of a plaque commemorating a quarter past of Gladner Triples sung in his memory. A service followed in the church after which tea was taken in the church hall together with the late Mr. Holmes' relatives.

As this was a joint meeting no business was discussed, but the D.R.M. did announce some details regarding the district outing.

The secretary said he had received the tickets for the ATV visit, and asked anyone wishing to go to see him during the course of the evening.

Ringing in the evening was run jointly by the two D.R.M.'s and ranged from rounds to Spliced Surprise Royal. Although the special method, Clifton, was not sung separately, it was included in the Spliced.

The evening's ringing was terminated at 8.15 P.M.

K. J. Walpole
CHAIRMAN.
