Report on Joint District Social

This had been held on 23rd June with the Western District. Attendance at the singing at Redbourn had been limited but there had been a fair number at St Peter's.

The rounder match started a little late because of rain and had been won by St Albans with 8½ points to the Western District's 4½ points. G. Penney

suggested that the rules be circulated to those playing earlier next time to ensure that they were known and understood by everyone and thus reducing the

risk of claims of cheating. P. Meheew congratulated the St Albans District on winning.

Date and Place of Next Meetings.

The Secretary informed everyone that they were as stated on the card. The November League's Practice had been arranged to be held at St Michaels.

Any Other Business

The Secretary asked that anyone who wished to comment on the Central Council's report on Association membership qualification for the Council should give their views to S. Saunders, who was collating them for the Hertford County Association.

Details of the 100 club winners for the year were given.

The meeting was informed of the recent death of C. Woodley and the funeral arrangements.

G. Dodds proposed a vote of thanks to the vicar and organist for the arrangements at Lemsford, to the ringers of N. Hyman for an excellent tea for the vicar at N. Hyman for the bells and to P. Meheew for chairing the meeting.

There being no other business, the meeting was declared closed.

The raffle, arranged by the ringers at Lemsford for the Association Bell Fund, raised £21-80.
