AOB

- Barbecue. The excellent arrangements made by the

Northern District were appreciated. It was suggested that the event might be repeated - hopefully earlier in the year.

- The 100 Club Draw was won by No <sup>57</sup> 86 (Ben Duke)

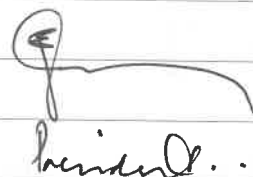

- G. Penney commented on the decreasing number at meetings although it was very pleasing to see ringers from Kilmington. The District needed to encourage more support still at its meetings. The President said that, in general, most districts seem thinly supported at present. It was necessary to avoid total collapse by encouraging the young and leaner. The impression that meetings were for the ringing elite should be avoided.

- Mr Codrum proposed a vote of thanks to the ringers and clergy at North Hymns and the Abbey.

After reminding members about the next meeting the meeting closed.

Ringing continued at the Abbey.

19 Members attended.

A handwritten signature in cursive script, appearing to be 'G. Penney'.
