wait until the next AGM

Vic Frost was congratulated on his reaching 80. Showing he was still keeping tabs on us he asked whether a report had gone to the RW about the AGM. The answer was no. He asked whether the last 1/4 year week results had appeared in the RW. Here the answer was yes. Vic asked whether the President's new certificates of membership were additional to the existing HCA certificates. Shane said in effect they were but no one actually asked for copies of the existing certs.

Geoff Dadds wondered whether a copy of the HCA 1994 report had gone to the Granby and Central Council ~~Librarians~~ Librarians. Shane said he thought ~~it~~ they had.

Anne Saunders asked whether the Barbeque at Knoburn was on. The Secretary said we await a confirmed date from the Northern District.

The Meeting welcomed the Vicar to St Pauls Walden and a vote of thanks to him and to Val Hill who had single handedly prepared a superb tea was carried with applause.
