  - b) No person may ring for more than one band, except for members of Y@H who may also ring for a district band.
  - c) A maximum of two bands may be entered from each District of the Association and from Y@H.
3. Test piece and judging:
  - a) The competition touch shall consist of a true touch of at least 224, and at most 252, changes in any recognised Triples or Major method(s).
  - b) If previously agreed with the Kimpton cup committee, the Y@H band may ring call changes but will not be permitted to win the Trophy. This shall consist of at least 10 minutes ringing during which 2 of the following must be rung: Queens, Whittingtons, Tittums.
  - c) Up to 3 minutes practice (total elapsed time from hearing the first bell to the setting of the last bell) is allowed before the competition touch. This practice may include changes and the team may stop and start within the allowed time, bearing in mind that the stoppages form part of their 3 minutes. The bells must finally be set before starting the competition touch.  
The start of the competition test piece will be signalled by the sounding of bells 1 & 2 for two whole pulls (1-2, 1-2, 1-2, 1-2).
  - d) The whole of the competition test piece will be judged. The rounds at the beginning and end will also be marked. There will be no penalty for bells which fail to set.
4. Any ringer with special requirements should notify the organisers as early as possible.
5. The Kimpton Cup Committee will decide on the format for a draw for the order of ringing. This could take the form of an advance draw held in the presence of at least 6 association members between 7 and 14 days prior to the date for the competition or alternatively to take place immediately prior to the competition with a representative of each band being present. All teams will ring in the order drawn.
6. Any matter not covered by these rules, and any dispute arising, shall be decided by the Kimpton Cup Committee of the Association, and that decision shall be final and binding.
