

Bishop's Stortford Tower 10-Bell Outing

6th September 2025

Bishop's Stortford tower had a successful outing to London yesterday to ring on higher numbers. We explored the delights of Greenwich, Cornhill, Magnus & Garlickhythe. With the help of our 12-bell friends, we got lots of practice at getting into the rhythm of ringing on higher numbers. Also, practice for the HCACR 10-bell competition in November has now begun in earnest!
