## Gerald Penney 1940-2011

Gerald began to learn to ring at St Albans Cathedral in 1954, when his school friend, John Ewer, explained the delights of ringers' teas. He was taught by Geoff Dodds, who, at that time, had taken on the daunting task of teaching twenty or so youngsters. These youngsters formed a 'Society Junior Band'. They had their own rules and organised their own outings. Several of them became the backbone of St. Albans District ringing for many years. Gerald was elected a member of the Hertford County Association in 1954.

In April 1956 Gerald rang his first peal. Plain Bob Major at Aldenham conducted by Tom Southam. Gerald was but one of four first pealers (at first attempt) in that band. This says rather a lot about the encouragement that was given to up-and-coming ringers at that time and to the care taken to nurture their skills. Gerald came to repay that care over many years as Abbey Ringing Master a role he took on in 1967 and continued in for 44 years.

Even before 1967 Gerald's abilities were evident and, having become a regular supporter of St Albans District activities, he was elected District Ringing Master in 1960 a post he held until 1969. The Association more widely was becoming alive to Gerald's skills and he was elected County Peal Secretary in 1968, serving until 1971. In addition, Gerald served as a Central Council

Representative from 1974 to 1981. In 1990 the Association was pleased to invite Gerald to become President, a role he fulfilled with modesty but with his, as I had come to

appreciate, thoughtful and careful insight and helpful, practical support. Gerald became an elected Life Member of the Association.

He met Janet after a ringing session at St Peters in 1968 and persuaded her to ring at St Albans Cathedral. They were married on October 10<sup>th</sup> 1970 and rang a total of 163 peals together.

Many of Gerald's peals were rung on Tom Lock's annual peal tours which Gerald first went on when he was 21 years old. He took over organising the tours from Tom in the late 1970's.

Early on, Gerald took to the delights of hand bell ringing and was greatly encouraged by Geoff and Joyce Dodds ringing many of his early hand bell peals at their house in Queen Street, St. Albans. In 1968 he rang in the then longest peal of Major on Hand bells, 17,824 of Kent Treble Bob Major at Leverstock Green.

John Mayne was another great influence on Gerald's hand bell ringing and in 1969 the band rang 32 Spliced Surprise Major, the greatest number of Surprise methods to be rung on hand bells at the time; the second only peal on 14 hand bells, and the first peal ever on 16 hand bells

Gerald rang a total of 1125 peals, 869 on tower bells, 256 on hand bells and he conducted 450. His last peal was of Kent Treble Bob Major in hand with Roger and Kath Baldwin and Christine Darby, and his last tower bell peal was on the treble to Stedman Cinques at The Abbey to welcome the new Bishop.

Amongst his tower bells achievements were to take part in 4 peals of Cambridge in a day in St. Albans, and 5 peals at Loughborough in a day.

**A welcome pint after four peals of Cambridge in a day (1973).**

To no surprise, Gerald's leading peal tower was St Albans Cathedral, ringing the 11<sup>th</sup> 50 times, and he was the first person to circle the tower.

As well as being a member of the Hertford County Association, he joined the Ancient Society of College Youths in 1962, along with many other ringing societies too numerous to mention.

Without a shadow of doubt though, Gerald's greatest achievement in ringing by far was to spearhead the provision and installation of the superb new ring of bells now in place at St Albans Cathedral. This was a project that was brought to fruition by hard work, single mindedness, devotion and love over many decades. It remains a savage cruelty that his illness robbed him of the opportunity to actually ring on the bells for which he had worked so hard. A recording of the first ring on the bells was played to him the night before he died.

May he rest in peace in the garden of the Cathedral and may he not ever be troubled by poor striking.

*- Janet Penney, Stephen Penney & Charles Pocock.*

There are some great stories and some photos of Gerald in the St Albans District Scrap Book. This book is a collection of mainly local newspaper cuttings dating from 1937 up to the late 1980's. It is kept at St Peter's and was presented to the HCACR in memory of Walter Eyre in 1978.

In 1969 during a peal, the 11<sup>th</sup> bell at the Abbey sheared through one of its gudgeon pins and fell into the pit smashing the wheel and most of its fittings. The picture below was scanned from the rather faded newspaper cutting so is a bit 'grainy'. Gerald is pictured together with Mr Hughes of the Whitechapel Foundry and the Churchwardens of the time.

There were peals and quarters from as wide a field as Derbyshire, Cardiff, Portsmouth and even Pennsylvania rung in memory of Gerald – see Pages 7-10

### **Errors, Omissions and Apologies from Issue 2**

1. BIG apology to Joyce Dodds. The obituary to Geoff was not written by Stephen Penney but by the Dodds family.
2. Also last issue I mentioned that Geoff had written two books but Joyce wrote the second book (Hertfordshire Bellfounders) – my apologies for not researching properly.
3. Several peals and a number of quarter peals rung in memory of Geoff Dodds never quite made the last issue for various reasons and these are now included on Pages 11 and 12.
4. Geoff was in the final quarter peal at the Abbey on the old bells. It was Grandsire Cinques on 27th March 2010. It was never intended to be the final published ringing on the old bells but various attempts at the last peal and quarter by Abbey bands were lost. It was arranged by Jennifer Johnson and Geoff was the only Abbey ringer free that day.

### **HERTS YOUTH BAND (Five from St Albans District)**

Claire Nicholson circulated this in March and you may remember that a team from Hertfordshire entered the Ringing World National Youth Contest, and competing against 12 teams, the HCACR team carried off the trophy for the best ringing of the day.

Attached is a photo of the team looking justifiably pleased and proud.

The team were (l-r) Laurance Bourton (3rd), Miriam Franklin (2nd), William Lay (Tenor), William Grimwade (4th), Katherine Butler (Treble), Dominic Holroyd (6th), Nicholas Butler (5th), Edward Mack (7th and conductor).

Ed Mack writes:

I'd like to thank everyone for helping me raise the Hertfordshire Team for the National Youth Contest held last Saturday. The support from Hertfordshire was fantastic, helping me form the team, pay the entry fee, run the practices and count the changes. Our team had a very enjoyable day, and in the end we actually won the competition - a victory we were all very pleased with!

## THE WOOLFORD CUP (Sandridge 21 May)

Four teams entered the Woolford cup competition this year with teams from The Abbey, St Peter's (two teams), and a fourth 'scratch' band made up from ringers from an assortment of towers including Hatfield and Sandridge. The "Sandridge/Hatfield" band rang first and was the only team to ring Minor. Perhaps this was their mistake because they came last. The other three teams rang Doubles and the judges (Sue Morton and Andrew Coe) could not find much between them.

The final scores and Judges' comments are given below.

*Team One:* The practice was a bit slow, sounded nervous – always horrible ringing first! They speeded up for the test piece and there was a very good bit of ringing in the middle. Often the faults were caused by the blow in 5ths place being late. It improved towards the end – they seem to have “found the rhythm”

*Team Two:* The practice was more confident – but there was a mistake! At least they got it out of the way in the practice. They rang more opening rounds and this seemed to settle it better. There were some very good bits in the test piece, but the speed was a little variable. Some of the ringing was very pleasing to listen to.

*Team Three:* Another confident practice. Good speed. Again they rang more opening rounds and despite a couple of faults being picked up here, it was worth it as the test piece was more settled. A little quicker than the previous teams. In the first half, the bell in 2nds place often clipped the bell leading, but this was much improved in the second half. Again, some very pleasing ringing to listen to.

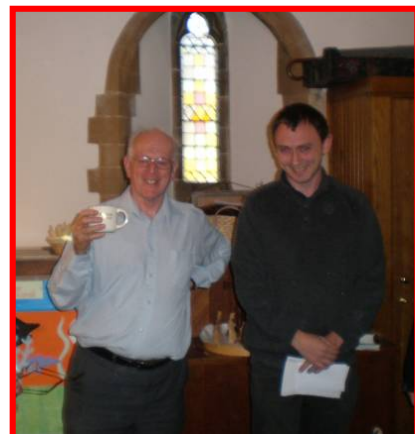

*Team Four:* Not sure what happened in the practice – 6 bells, then 5, then stopped, then started again! Practice was very brisk, we felt a little too brisk. The must have felt this too, as the test piece started at a much better pace – almost sounded like a different band! The second half of this was excellent, much better than the first, where the majority of the faults were. A real treat to listen to the second half.

## NEW ARRIVAL

Congratulations to Alex and Liz Sage, both members of the band at St Michael's, St Albans, on becoming parents recently. Baby Eleanor Rosalynd kept everyone waiting, until finally making her appearance on 8<sup>th</sup> March, weighing in at 8lbs, 4oz. She is doing well, growing rapidly and has a lovely smile.

To celebrate Eleanor's arrival, the St Michael's band organised a quarter peal. This gave us a rare and enjoyable opportunity to ring all eight bells, as our reduced numbers do not often allow us to do any eight-bell ringing at the moment, so we were grateful for support from local ringers, Deborah Butler and Bob Picton, as well as former members, John and Cathy Hughes D'Aeth, who moved away from the area last year.

It will be some time before Eleanor finds herself on the end of a rope but we look forward to being able to welcome Liz back to the ringing chamber soon.

## THE QUIZ NIGHT

One of the best supported events of the St Albans District calendar and this year was no exception. Held in the Church Hall at Hatfield, seven teams entered with varying degrees of success and our thanks go to Stephen Penney (Question Setter) and Richard Sales & Ann Evans (Markers) for their efforts on the night.

St Peter's St Albans won but an enjoyable evening with fish & chips was had by all. A small profit was made for the District Fund.
